EXPERIENCE

Freelancer

Jul 2023 - Present

I am Working as a freelancer

WordPress lead developer

humane club *Jun 2022 - Jun 2023*

At Humane Club, I am responsible for maintaining approximately 10 plugins and 1 theme. Alongside

maintenance tasks, I am actively involved in developing new features for these plugins and the theme.

Application developer

AZYM technologies *Aug 2021 - Jun 2022*

During my tenure at Azym Technologies, I had the privilege of working closely with the app development team, primarily focusing on the WordPress REST API. Additionally, I was involved in the development of privately accessible and publicly accessible APIs, including WooCommerce API, custom APIs, login APIs, and marketplace APIs. Furthermore, I took part in documenting these APIs using Swagger.

Software Developer

AYECODE LTD *Mar 2021 - Aug 2021*

At Geo Directory, I had the privilege of working on bug fixes as well as developing new features for the platform.

Assistant manager

The Indian Express *Jan 2018 - Mar 2021*

During my time at The Indian Express, I had the opportunity to develop various functionalities for in-house projects on WordPress VIP.

Senior Software Developer

Crescerance *Apr 2015 - Jan 2018*

During my tenure at Cresence Company in the education domain, I have gained extensive experience working on numerous custom and paid themes. In addition, I have been actively involved in API development and have contributed to the creation of ADA-compliant websites.

Web Developer

imicreation *Jun 2013 - Apr 2015*

In my contributions to iMi Creation (<https://imicreation.com/>), I was involved in the development of two themes from scratch that are available on ThemeForest. The first theme is called "[Native Church](#)" and the second theme is called "[Real Space](#)"

Web Developer

Unicode Systems *Jan 2012 - Jun 2013*

In the Unicode system, my primary task involves converting HTML into a WordPress theme.

PROJECTS
